

Directions to Morgan Run Environment Center:

From Westminster:

Take 97 South. Turn left on to Nicodemus Road (this is first intersection after you pass thru intersection with Route 32). Follow down into valley and turn left into driveway (There is a big sign for Morgan Run Environmental Center). PLEASE DRIVE SLOWLY on Morgan Run Property as there are young children living in the ranger's house! Follow driveway thru the woods and bear left (it will say private driveway but proceed anyway). After you cross bridge take gravel cross path to right hand driveway. We will meet in the basement of the big white barn on the hill.

From South Carroll - Take 97 North and turn right onto Nicodemus Road. Follow directions above.
